

When it comes to care, EmblemHealth has a Community ‘Advantage’

WHAT IS WHOLE YOU CARE?

EmblemHealth offers members affordable health coverage with access to convenient, high-quality care options. That’s why you have access to AdvantageCare Physicians (ACPNY). ACPNY’s extensive medical care and related services ensure you have the **advantage** you need to stay healthy.

AdvantageCare Physicians

ACPNY is a primary and specialty care practice serving half a million patients across all five New York boroughs* and Long Island. ACPNY focuses on the needs of each individual patient — their mental and physical needs, and the lifestyle factors that impact their health. It’s a “whole you” approach that helps patients pursue better health and gives them easy access to care. Many offices have on-site lab and radiology services, and also offer virtual visits.

The ACPNY Difference: A True Partner in Care

The ACPNY care approach puts you at the center of the health care journey. ACPNY's goal is to make the experience easier for you by offering a range of flexible appointment types, convenient locations, and coordination of care with specialty partners and preferred hospitals.

Your ACPNY Care Team works together to ensure seamless continuity of care. Their guidance includes help with refilling medications, accessing test results, scheduling your next visit, and much more.

Personalized Care Team: Your Primary Care Provider leads a Care Team dedicated to understanding your whole health picture — an approach that results in better health outcomes.

Specialty Care Providers: We offer a range of specialists that work closely with your Care Team for a seamless approach to care.

EmblemHealth Neighborhood Care: Get direct access to valuable neighborhood services at EmblemHealth Neighborhood Care. Many ACPNY offices share locations with them.

Care from Home: Essential care from your providers — via video, telephone, or message — means you can get the care you need, right from the comfort and convenience of your own home.

The **myACPNY Patient Portal:** Stay connected to your care no matter where you are, or which office you visit.

The **acpny.com Website:** Here for you 24/7 to find providers and office locations, make appointments, learn about health conditions, and get the latest updates on our care.
