Attach Documentation

During the transaction, you will have several opportunities to attach documentation. Certain transactions require documentation to be attached at the first collection point to optimize the enhanced experience. We highly recommend attaching documents when you see the following screen:

If you are not ready to upload your file(s) now, you can attach it later by searching for your preauthorization and uploading it then.

Attach Documents

1. Allowed file types are doc, docx, pdf, xls, ppt, jpg, jpeg, png, bmp, gif, txt
2. File limit of 25MB for each attachment
3. Maximum 5 attachments

Submit Request

Once the base set of preauthorization request screens is completed an additional screen will be shown.

Step 3: You will see the following screen where you can click **Submit Request** to see the **Pend** screen shown below.

The screenshot displays the 'Authorization Request' form. At the top, a progress bar shows three steps: 'Request Form' (completed), 'MCG Guideline Documentation Not Required' (completed), and 'Submit Request' (current step, highlighted with a '3'). The MCG logo is in the top right corner.

Patient information fields include: Patient: [redacted], Name: [redacted], DOB: [redacted], Gender: Female. A 'show more' link is present.

Authorization details include: Authorization: [redacted], Type: Procedure Pre-authorization, Status: NoDecisionYet. A 'show more' link is present.

Diagnosis Codes: I21.0(ICD-10 Diagnosis) *primary*, Procedure Codes: G0299(CPT/HCPCS) *primary*.

Step 5:

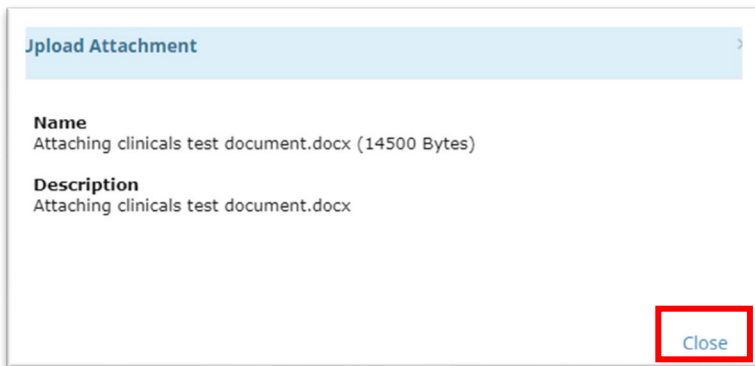

Attach File Pop-Up

If you choose to upload documents and click the **Attach File** button, a popup will appear.

- Choose the file.
- Click **Upload**.
- Add a description.

A new window will display showing the document you have added.

Step 6:

1. Click **Close**. If you have additional documents to submit, click the **Attach File** button again and attach the next document. Repeat until all documents are attached.
2. Once all and files attached, click **Submit Request**.

Note: Failure to click **Submit Request** will automatically cause the request to pend for review. Using the **Submit Request** button may result in an immediate decision.

Step 7:

Approval/Pend Screen

If all clinical criteria are met, you may see a screen showing “Your case has been approved.” Otherwise, the screen will indicate that your case is pending further review.

Submission Confirmation

Your preauthorization request has been successfully submitted for review.

Your case has been pended for further review

A preauthorization request from [redacted] to [redacted] has been submitted on 2023-04-17T15:17:23 and can be identified by reference ID: [redacted]

GOOD NEWS! There is no need for an additional phone call or fax notification for this request. You can use reference ID [redacted] to obtain updates on this request in the [preauthorization search page](#).

This preauthorization request does not guarantee payment to the servicing provider/vendor. Payment is contingent on the member’s continued eligibility and contractual benefit limits.
