# Medicare Summary of Benefits

EmblemHealth City of New York/GHI Enhanced Medicare Part D Prescription Drug Plan for members enrolled in the GHI Senior Care program.

**Jan. 1, 2026 - Dec. 31, 2026**

City of New York retirees enrolled in the City of New York/GHI Senior Care program can sign up for the EmblemHealth City of New York/GHI Enhanced Medicare Part D Prescription Drug Plan (PDP). This drug plan is in **addition** to your GHI Senior Care medical plan. You must keep your GHI Senior Care medical plan to add this drug plan.

The GHI Enhanced Medicare Part D plan is a creditable Medicare prescription drug plan. If a plan is creditable, its drug coverage meets Medicare's minimum standards. Be sure to enroll in a plan like this or have another creditable coverage when you first become eligible for Medicare. If you do not, you may have to pay a late fee if you enroll in a Medicare drug plan at a later time.

This Summary of Benefits tells you some of the features of the plan. It doesn't list every drug we cover, or every limitation or exclusion. For a full list of prescription drugs we cover, please visit **emblemhealth.com/pharmacy**. To get a list of covered drugs (formulary) or an Evidence of Coverage (EOC) for a complete list of services, visit **my.emblemhealth.com** and select "My Documents" on the welcome screen. Select "Plan Documents" and you should be able to view and download your EOC. For additional help, contact Customer Service at **800-624-2414** (TTY: **711**), 8 a.m. to 8 p.m., Monday through Friday.

## WHO IS ELIGIBLE AND HOW DO I ENROLL IN THIS PLAN?

You must have Medicare Parts A and/or B, be a City of New York retiree, and be enrolled in the GHI Senior Care plan to enroll in this plan. Our service area is the United States and its territories. As a NYC resident, if you choose the optional rider and your Union Welfare Fund does not offer prescription drug coverage, you will be enrolled in the City of New York/GHI Enhanced Medicare Part D plan.

## DO I HAVE TO ENROLL IN THIS PLAN?

No. To drop the Senior Care Optional Rider, you must complete the Retiree Health Benefits Application/Change Form (which can be found under Forms and Downloads in the Retiree section of the City website at **nyc.gov/hbp**).

## HOW MUCH WILL THIS PLAN COST ME?

The cost of this plan (your monthly plan premium) is taken out of your pension check each month.

**Monthly Prescription Drug Plan Premium: \$180\***  
**365-Day Senior Care Hospital Rider: \$3.38\***  
(for Senior Care program members only)

If you qualify for a subsidy, we will send you a Low-Income Subsidy rider or Evidence of Coverage rider for People Who Get Extra Help Paying for Prescription Drugs.

This plan covers drugs in four tiers. Please see page 3 for more information about tiers.

Tier 1: Generic  
Tier 2: Preferred Brand  
Tier 3: Non-Preferred Drug  
Tier 4: Specialty Tier

1. This plan does not have a **deductible**. **First, you pay** 25% of the cost of prescription drugs.
2. Once you have paid **\$2,100** out of pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).

During this payment stage, the plan pays the full cost for your covered Part D drugs and you pay \$0.

\*Individual contract monthly premium.

### **IMPORTANT MESSAGE ABOUT INSULIN AND VACCINE COSTS**

You will pay the lesser of 25% or **\$35** for a one-month supply of each insulin product covered by our plan. Our plan covers most Part D vaccines at no cost to you. Call Prime Therapeutics at **833-998-5351** (TTY: **711**), 24 hours a day, 7 days a week for more information.

### **HOW CAN I TRACK MY OUT OF POCKET COSTS?**

You will see a balance of your out of pocket amount in your monthly Explanation of Benefits (EOB) statements.

### **HOW CAN I COMPARE MY OPTIONS?**

Contact your union or the Office of Labor Relations for questions on plans available to you.

### **WHERE CAN I GET MY PRESCRIPTIONS?**

You can find a pharmacy in our network by visiting [emblemhealth.com/resources/medicare/pharmacy](https://emblemhealth.com/resources/medicare/pharmacy).

### **CAN I USE A MAIL ORDER PHARMACY?**

Yes. Our plan has a network of mail order pharmacies, including Amazon Home Delivery, Express Scripts and many others. You can easily fill your prescriptions and have them delivered to your door. Using a mail order pharmacy may also save you money. To learn more, visit [emblemhealth.com/resources/medicare/pharmacy](https://emblemhealth.com/resources/medicare/pharmacy) and read the Home Delivery and Refills section.

### **WHAT IS PRIOR AUTHORIZATION?**

This plan requires that you get permission from your prescription drug plan before filling some drugs. This is called a prior authorization. This helps us make sure that you are getting drugs that are safe and necessary. To confirm if a drug requires prior authorization, call Prime Therapeutics at **833-998-5351** (TTY: **711**).

### **WHAT ARE DRUG QUANTITY LIMITS?**

We may limit the quantity of drugs you get at one time to make sure you are getting drugs that are safe, necessary, and in the right amounts.

### **WHAT IS MEDICATION THERAPY MANAGEMENT (MTM)?**

MTM is available for members who take multiple medicines for different conditions and have high drug costs. It involves having a medicine review by phone with a pharmacist to make sure your medicines are working well together. To learn more, call Prime Therapeutics at **833-998-5351** (TTY: **711**).

### **WHAT IF I NEED A DRUG THAT IS DENIED?**

You have the right to request a coverage decision or appeal of a decision we already made. For more information, please see your Evidence of Coverage (EOC). You can find your EOC in your member portal account or on our website. Visit [my.emblemhealth.com](https://my.emblemhealth.com) and select “My Documents” on the welcome screen. Select “Plan Documents” to view and download your EOC. Your doctor can also call Prime Therapeutics at **833-998-5351** (TTY: **711**). Your doctor will need to submit a statement to support your request.

## Drug Categories

This plan groups drugs into separate categories, but your coinsurance for all of them is the same. Even if a drug changes tiers, your share of the cost will stay the same. Here is what each category represents:

- **Tier 1:** Generic. Lowest-cost tier. Most generic drugs on the formulary are included in this tier.
- **Tier 2:** Preferred Brand. This tier contains a combination of preferred brand drugs and certain generics.
- **Tier 3:** Non-Preferred Drug. This is your higher-cost tier and includes non-preferred generic and brand drugs.
- **Tier 4:** Specialty drugs are generally the highest cost prescription drugs that may require special handling and may be brand or generic. The drugs on this tier are limited to 30-day supply.

Our in-network pharmacies work with us to bring you more cost savings. The price you pay for your drugs may also be lower if you use a mail-order pharmacy like Amazon Home Delivery.

## The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage, and it can help you manage your drug costs by spreading them across monthly payments that vary throughout the year (January – December). This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. Extra Help from Medicare and help from your State Pharmacy Assistance Program (SPAP) and AIDS Drug Assistance Program (ADAP) for those who qualify, may be more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in this payment option, regardless of income level, and all Medicare drug plans and Medicare health plans with drug coverage must offer this payment option. Contact us or visit [medicare.gov](https://www.medicare.gov) to find out if this payment option is right for you.
