

# EMBLEMHEALTH ESSENTIAL PLAN FORMULARY FOR NY STATE OF HEALTH

## 2024 Formulary

If you have general questions about prescription drug coverage, please contact Customer Service at **1-877-842-3625** (TTY **711**) 8 am to 6 pm Monday through Friday.

# EMBLEMHEALTH ESSENTIAL PLAN FORMULARY

This guide tells you about our drug plan and has our formulary – the list of drugs we cover. It is up to date as of December 1, 2024. It may change over time, such as when:

- We add a new, less costly generic drug to our list.
- We learn that a drug on our list may not be safe or effective.

Check to make sure that this list still has the drugs you need. If you have any questions, call us at **1-877-842-3625** (TTY 711). Our hours are 8 am to 6 pm, Monday through Friday.

In general, we will pay for your drugs only when you get them at a drug store in our network. For a list of stores near you and the latest list of drugs in our plan, go to **emblemhealth.com**.

Keep in mind that your benefits, as well as this drug list and drug stores in our network, may change on January 1, 2025.

## **How do I use this guide?**

You can look for your drug using the index. This starts on page 123. Or, if you already know what your drug is used for, look for the section name in the Table of Contents. Then look there for your drug.

Sections are based on what the drugs are used to treat. For example, drugs used for a heart condition are under “Cardiovascular, Hypertension & Lipids.” The first column of the chart lists the drug name. Brand name drugs are upper case (for example, SYNTHROID). Generic drugs are shown in lower-case italics (for example, *atenolol*).

## **What are generic drugs and drug tiers?**

A generic drug is one that is approved by the U.S. Food & Drug Administration (FDA) as having the same active ingredient as the brand name drug. We cover both brand name and generic drugs. In general, generic drugs cost you less than brand name drugs.

You can also save money by using a preferred brand drug instead of one that is nonpreferred. Use the numbers in the table below as a guide to these drugs. You’ll see them listed next to each drug on the list.

Tier Number	Tier Name
ACA	Zero Cost Share Preventive Drugs (there may be some limits on this drug; see below)
1	Generic
2	Preferred Brand
3	Nonpreferred Brand

### Are there any limits on drug coverage?

There may be special requirements or limits on what we cover for some drugs. The table below explains these. Their abbreviations are in the right column. When one of these applies to a drug in the list, you'll see the abbreviation next to the drug. You can also find out if your drug has any other requirements or limits when you look at the list. You can get more information about this by going to [emblemhealth.com](http://emblemhealth.com).

### Drug Coverage Requirements

Requirement or Limit	Abbreviation
Affordable Care Act. There may be some limits on this drug.	ACA
Limited Availability. You may only be able to get this drug at some drug stores.	LA
Prior Authorization. This means that you will need to get approval before you can get this drug. If you don't get approval, we may not pay for the drug.	PA
Step Therapy. You will need to first try certain drugs before we will pay for another drug. For example: <ul style="list-style-type: none"> <li>• If Drug A and Drug B can both be used, we may not pay for Drug B unless you try Drug A first.</li> <li>• If Drug A does not work for you, we will then pay for Drug B.</li> </ul>	ST
Quantity Limit. There is a limit to how much of this drug we will pay for.	QL

You can ask us to make an exception to a restriction or limit on a drug. We can also give you a list of other, similar drugs that may work. Speak with your doctor about this first.

### Where can I get more information?

If you have any questions about this drug list, or about your benefits, go to [emblemhealth.com](http://emblemhealth.com). You can also call us at **1-877-842-3625** (TTY 711). Our hours are, 8 am to 6 pm, Monday through Friday.

## **Disclaimer**

Please see your Contract or Certificate of Coverage for plan details. It will tell you what is covered and how much you pay for your drugs. A drug being listed in this guide does not guarantee that we will pay for it. Some drugs may need approval (prior authorization) before we pay. For some drugs, we will only pay for certain doses and/or strengths. The drugs on this list may change based on a decision by EmblemHealth. As new generic drugs become available, the brand name version will no longer be a preferred choice.

This is a list of the drugs that are prescribed most often for members that use the Essential Plan Formulary. To help keep your costs down, ask your doctor to prescribe generic drugs when possible.

NOTE: Not all drugs in this list are paid for by all drug benefit plans, so coverage is not guaranteed. Check your benefits for copay and any other requirements you may have under your plan. If you have other questions about your drug benefits, please call the phone number on the back of your ID card.

## **List of Abbreviations**

**ACA:** Affordable Care Act.

**LA:** Limited Availability. This prescription may be available only at certain pharmacies. For more information, please call Customer Service.

**OTC:** Over the Counter. An OTC drug is a non-prescription drug.

**PA:** Prior Authorization. The Plan requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval before you fill your prescriptions. If you don't get approval, we may not cover the drug.

**QL:** Quantity Limit. For certain drugs, the Plan limits the amount of the drug that we will cover.

**ST:** Step Therapy. In some cases, the Plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.
