

Quick Start Guide to Your Benefits

Enhanced Care Plus Plan

Welcome to the EmblemHealth Enhanced Care Plus plan. We are here to help you get the most from your health care benefits. Here's what you need to know to get started:

Renew Your Medicaid Coverage

Your continued enrollment in Medicaid is important. To stay enrolled, you need to recertify your eligibility once a year. If you have not recertified as this deadline approaches, we will send you reminders.

The Role of Your Primary Care Doctor

A primary care Doctor (PCP) manages your health care and can make referrals to any specialists you might need. Call your PCP whenever you need medical care, except in an emergency. The back of your Welcome Kit letter and member ID card show the name of your PCP.

Change a Doctor

If there is no PCP listed, or if you would like to change your PCP, please follow the instructions below:

- Once registered, you can change your PCP on the homepage of your member portal at **my.emblemhealth.com**.
- Click the "Change PCP" link under your Plan Information.
- Compare providers and doctor profiles to find the provider that best meets your needs.

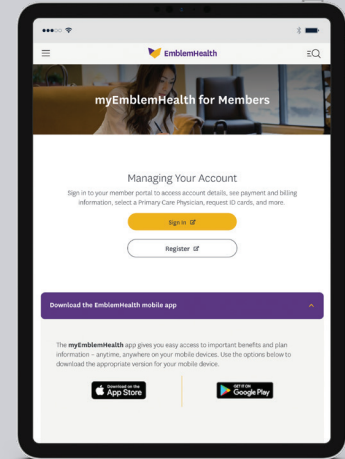

You can also search as a Guest under Find a Doctor at **emblemhealth.com**. You can also request a paper directory by calling the Customer Service number on your ID card. A representative will be happy to help.

Need a Doctor? Consider AdvantageCare Physicians

AdvantageCare Physicians (ACPNY), part of the EmblemHealth family of companies, is a primary and specialty care practice that cares for the whole you. This means ACPNY doctors and providers consider the physical, mental, and lifestyle factors that affect your health.

With offices in all five boroughs (includes BronxDocs, an affiliate of ACPNY) and on Long Island, ACPNY offers convenient hours and same- and next-day appointments in many offices, along with related services, such as lab and radiology. Go to **acpny.com** to see a full list of services and locations.
